

# Cosette pendant light

In stock

A elegant, round 3-light Art deco -style hanging lamp. The back metal parts and details in brushed brass create an interesting contrast to the white ceramic shades. The light is emitted from the openings in the shades and the shades themselves will allow a small amount of light to escape through them, making the shades emit a warm glow. Construction for easy installation on hook and fitted with a luminaire -plug.

\* The lamp is dimmable with dimmer in combination with dimmable light sources
