

Dixie pendant light

Back in stock: 7.9.2022

Dixie is a elegant luminaire in Art Deco style. The matt black cylindrical upper part with details in brass creates a interesting contrast to the white, rounded glass-shade. The light is emitted straight through the opening in the bottom of the glass shade as well as softly through the glass. The luminaire will find its place equally easy in homes as it will in public spaces. The diameter of the beautiful glass-shade is 25 cm. The luminaire is easy to install, thanks to installtion designed for ceiling-hook attachment. The luminaire-plug is also supplied and already fitted to the lamp.
