LeCOMFORT

## Collezione Nighttime

Sede per eccellenza del riposo, del sonno e del sogno, oltre che fondamentale elemento dell'arredo di casa, il letto, nella visione LeComfort, è lo spazio destinato a suscitare un'avvolgente sensazione di familiare rifugio dalla frenesia del giorno. I letti LeComfort sono declinati in una nutrita ed espressiva galleria di stili, tutti accomunati dalla fondamentale cura per il dettaglio e per il design. Il principio della funzionalità esce dalla sfera onirica e si fa realtà: predisposizione a contenitore o struttura rialzata consentono un uso intelligente degli spazi, mentre l'ecletticità dei tessuti di rivestimento, comuni a letti e divani, consente un dialogo coerente tra le unità dell'arredo domestico.

## Nighttime Collection

The ultimate venue for rest, sleep and dreams, as well as a fundamental element of home decor, the bedroom, according to LeComfort vision, is the space meant to create a haven of relax, far from the hectic pace of the day. The LeComfort beds come in a large and expressive gallery of styles, all sharing a scrupulous attention to detail and design. The principle of functionality takes inspiration from dreams and becomes reality: the predisposition for a container or a raisable structure enable an intelligent use of space, while an eclectic choice of fabrics available for both beds and sofas, allows a consistent dialogue with the home decor.

# /7 Armchairs collection

Piccole isole di relax, le poltroncine LeComfort sono pensate e ideate per richiamare e accompagnare le linee del divano di casa, pur mantenendo una fondamentale autonomia nell'arredo. Disponibili in pluralità di stili, modelli e colori, queste poltroncine sanno abitare inusuali angoli di casa.

*Small oases of relax, LeComfort armchairs are conceived and designed to call to mind and accompany the lines of the sofa, whilst maintaining a fundamental autonomy. Available in a variety of styles, patterns and colors, these chairs know how to elegantly occupy even the less used corners of the house.*
