

CROSS 1390 | PENDANT LAMP

bs.living 

By its design and its minimalist line, CROSS has been thought of above all as a modular suspension. The length of the illuminating part is variable. It exists in 5 dimensions: 800mm, 1140mm, 1390mm, 1640mm and 2140mm. CROSS is the ideal pendant light for architectural lighting projects.

STRUCTURE
