Description: A suspended lightweight form enhanced by light. Alba combines direct and indirect light, illuminating both the worktop and the ceiling. The high efficiency integrated LEDs and the recyclable aluminium make it a product with a low environmental impact. To enhance the natural colour of the light, the inner part of the lamp is always white.

Plus: The effect created recalls the ancestral values of light as it appears at dawn. A suspended lightweight form enhanced by light. The high efficiency integrated LEDs and the recyclable aluminium make it a product with a low environmental impact. To enhance the natural colour of the light, the inner part of the lamp is always white. The outer finish can be customized.
