

THE LIILA COLLECTION

Liila 7

The lamp consists of multiple metal backplates in a powder-coated finish, each fitted with a globe-shaped diffuser in opal white or optic clear hand-blown glass. The opal white diffuser provides a soft, all-round light whereas the optic clear provides a more decorative light. The backplates are arranged in a grid formation to create a structured composition, and the fixture is designed for direct wall or ceiling mounting. It uses G9 light sources positioned centrally within the diffusers.

Designed by **Sofie Refer**

Product no.	2041003 - nordic gold / optic clear 2041004 - nordic gold / opal
Materials	Metal / Glass
Cable kit	Not included
Cleaning	Use only soft dry or dampened cloth. Do not use any detergents.
Environment	Indoor
Certifications	CE, UKCA, Class I, IP20
