

THE LIILA COLLECTION

Liila Star

The lamp consists of multiple metal backplates in a powder-coated finish, each fitted with a globe-shaped diffuser in opal white or optic clear hand-blown glass. The opal white diffuser provides a soft, all-round light whereas the optic clear provides a more decorative light. The backplates are arranged in a grid formation to create a structured composition, and the fixture is designed for direct wall or ceiling mounting. It uses G9 light sources positioned centrally within the diffusers.

Designed by **Sofie Refer**

Product no.	2041005 - nordic gold / optic clear 2041006 - nordic gold / opal	Dimensions	540mm x 486mm x 148mm Back plate: 27mm x ø103mm
Materials	Metal / Glass
