

THE PETALII COLLECTION

Petalii 1 Small

The pendant consists of a sculptural shade in white metal shaped like a blooming flower, complemented by refined details in polished brass. The layered petals softly reflect and diffuse the light, creating a warm and decorative illumination. The fixture is designed for ceiling mounting and uses a single centrally positioned E14 light source placed at the heart of the shade.

Designed by Nika Zupanc

Product no.	2113001 - white / polished brass brass textile cord
Materials	Metal / Metal / Fabric
